MISSION POSSIBLE - GEOCACHING RACE

MONCTON (NEW BRUNSWICK) - Friday, February 17th, 2012 - The Greater Moncton Chamber of Commerce (GMCC) is proud to announce a new project of the Mission Possible Community Change Heroes. Teams of students from CCNB matched up with business professionals and came up with a plan for several community projects. One of their activities is a **Geocaching race, on February 24th, 2012** from 6 pm on, outside the CCNB - Dieppe Campus. The goal is to collect non-perishable food items to support local food banks.

This race is open to the public and consists of a hike to find objects hidden in the woods. Participants must answer questions relating to these objects and must play games throughout the race. A questionnaire must also be completed. Each of the activities will earn participants points. Chicken soup and hot dogs will be available. There will be a campfire as well.

The days before, from February 20th until February 24th, people can drop off their non-perishable food items at the GMCC Office (1273 Main street suite 200, Moncton) or at CCNB Dieppe, Student Services (505 rue du Collège, Dieppe). All items will be donated to local food banks.
